SIGNED, N. L. MORRIS.

MR. O'DONNELL A CANDIDATE FOR CONGRESS

The announcement has been made of the candidacy of Thomas W. O'Donnell for the Republican nomination for congress from the First Congressional district. Mr. O'Donnell is well known as an attorney throughout the district and has been located and engaged in the active practice of his profession at Vernal for sixteen years.

He is wholly a western man and possesses the western spirit; was born in Colorado and received his academic and professional education in Denver.

He saw service in the Spanish American war as a member of Torrey's rough riders. He is and has been, an active worker in the Republican party and is connected financially with many of the business enterprises in his district and in the Utah basin.

He is a comparatively young man, being 40 years old, and has been a resident of Utah the past eighteen years. He is unqualifiedly in favor of the insertion of a prohibition plank in the platform to be adopted at the state convention and his candidacy is being strongly backed.

JAIL BREAK AT COUNTY JAIL IS REPORTED

Ben Garcia, a convicted bootlegger serving his sentence in the city jail and Albert Albertson, awaiting trial in the district court on charges of assault, in the county side of the jail, managed to get through the partition separating them on Wednesday evening and then sawed two bars out of one of the jail windows, making their escape. Their absence was discovered by Fred Smith, when he went in with breakfast for the two.

The Sheriff immediately began a search for the men, sending his deputy to Ogden while Marshal Ivor Albertson of Hyrum, a brother of one of the fugitives, went north in quest of the two men. He found them at Arimo and while the bootlegger showed fight, he was soon quelled and Mr. Albertson returned at once with him again about 2 o'clock yesterday morning.

The men when put back in jail told of the manner of their escape. Some one had passed saws into them concealed in bananas and using these they sawed the bolts in the partition and the bars out of the window. They went to Greenville, took the interurban from there to Richmond and then walked to Trenton where they boarded a Short Line train for Arimo.

Looking Ahead.
"What's the trouble, girl?" "Oh, Algermon, I'm afraid for you. Father threatens to kick you into the middle of next week." "Well, my dear, if he insists, let him do it. But hold next Wednesday evening open for me."—Louisville Courier-Journal.

First Fireworks in Europe.
Fireworks are said to have been first used in Europe in the city of Florence in 1360.

Keep Utah money in Utah.

WM. DOUGLAS FUNERAL HELD AT SMITHFIELD

Smithfield, Aug. 3.—Funeral services over the remains of William Douglas, were held on Wednesday at 2 p. m. in the Second ward tabernacle. Bishop William L. Winn presided. The attendance was large and the floral offerings were very beautiful. The opening selection by the choir was, "Thou Deepening Trials, and prayer was offered by Elder Peter Hanson. The choir further sang, "Oh, My Father."

The speakers were Robert Thornley who had known him since 1860; George Barber of Logan; Joseph J. Richardson and William A. Noble. Each bore testimony of the sterling worth of such pioneers as William Douglas. He has done much to develop this part of the state, having been a prosperous merchant in early days. He closed out his business to fill a mission to Scotland for the love he had for the Gospel. Went in business again upon his return. He was the first man to receive a carload of wagons for sale in this valley, also exerted his family to follow his example in being faithful to the gospel of Christ.

A solo, Sweet Spirit Hear My Prayer, was beautifully rendered by Miss Maggie Merrill of Preston, and Mrs. Jean Lundquist very feelingly rendered the solo, Farewell. The choir sang, We Shall Meet, and the benediction was pronounced by Elder G. Done. A large cortege of automobiles followed the remains to the city cemetery.

The following delegates were elected to attend the State and Congressional conventions at Ogden, August 8 and 9; T. B. Farr, Joseph J. Richardson, J. P. Toolson, Robert Dock, James Roskelley, W. L. Winn and S. P. Ewing.

Tee Kan a Japanese, who was running the beet farm of Claus Anderson died at the Budge hospital on Monday morning. The remains were taken to the Providence cemetery for burial.

The Second ward M. I. A. will present their program in the First ward tabernacle, Sunday evening, August 6 at 8 o'clock, which will consist of the following:

Talk, Missionary Experiences—Archibald Bingham.
Girls Chorus.
Recitation—Maggie Peterson.
Duet—William Pilkington and Son.
Solo—Emma Thornley.

The Daughters of the Utah Pioneers will hold their monthly meeting on Wednesday August 9 at the home of Mrs. Jessie Moses. The program is as follows:

Reading—Mrs. Joseph Richardson.
Solo—Mrs. C. C. Kearl.
Paper, on The Pioneers of Utah—Mrs. John M. Bain.
Solo—Mrs. Seth Thornley.
Mrs. Mae Cantwell entertained at Sunday dinner Mr. and Mrs. George Barber and Miss Clara Barber, of Logan, and Mr. and Mrs. T. B. Farr.

Word was received by William Hilliard that his son Hazen, who had been laboring in England during the past two years, had arrived in New York City, and would be home about the 18th of this month.

Dr. and Mrs. Jarvis, Mr. and Mrs. J. E. Sheffer and Miss Leon Palmer, motored to Ogden, Sunday and spent the day at the Hermitage.

A number of our people left on Wednesday for a month's visit to Canada. Among them were Samuel Nelson, Thomas H. Woolford, John Hadfield and Mrs. Griffith and daughter.

Mrs. Gladys Shilling is spending the week at Ogden.

Using Old Bottles.
A bottle may be cut off by wrapping a cord saturated in coal oil around it several times, then setting fire to the cord, and just when it has finished burning plunging the bottle into cold water and tapping the end you wish to break off. Oddly shaped or prettily colored bottles make good vases. The top of a large bottle having a small neck makes a good funnel. Large round bottles make good jelly glasses.

W. H. Stevenson, traveling auditor for Studebaker Brothers, has been in Logan for a few days on business.

LONG LIST OF SPECIAL PRIZES IS ANNOUNCED BY FAIR ASSOCIATION

Live Stock and Vegetable Exhibits Will Be Better Than Ever Before At Annual County Show—Four Days To Accommodate Racing Course.

Although most of the fruit was killed last spring, the prospects as a whole for a large county fair were never brighter. The horticultural exhibit will not be slighted and an extra effort will be made to make the exhibit as good or better than heretofore. The vegetables and livestock exhibits will be better for various reasons. The people are becoming more educated to the fair and its purposes and the value it is doing the county.

As all the fairs in the Intermountain Racing Circuit have four days each, it has become necessary for the Cache County Fair to fall in line so this year it will be held four days commencing September 27 and extending to September 30, inclusive.

In addition to the many cash prizes offered by the association for exhibits, the following special prizes have been offered by the merchants and manufacturers.

A cash prize of \$25 will be given by the Utah Condensed Milk Company for the cow producing the most butterfat during two days of the fair.

A cash prize of \$25 will be given by the Borden Condensed Milk Company for the cow producing the largest quantity of milk during two days of the fair.

The above contest will be under the direction of the Utah Agricultural College.

A prize of ten dollars in merchandise will be given by the Lundstrom Furniture Company for the best draft stallion any age or breed.

Shamhart and Christensen will give one light blue satin stripe crepe dress patterns worth \$10.50 for the best display of crochet work.

The American Steam Laundry will give one \$5 coupon book for the best display of tatting.

The Amalgamated Sugar Company will give a cash prize for the best five acre patch of beets and \$10 for the best one acre patch of beets. Samples of said patches must be on exhibition at the fair. The judging of the beets will be done according to the following score: Sugar 25 per cent; sugar per acre 20 per cent; purity 20 per cent; size and shape 15 per cent; tonnage 20 per cent.

The Amalgamated Sugar Company will give one beet cultivator for the first prize in the sugar beet exhibit in the Cache County Boys Club work.

PROGRAM IN SEVENTH WARD SUNDAY EVE.

The following Bee Hive program will be rendered at the Seventh ward on Sunday evening:

Talk On Bee Hive Work Vera Carlson
Solo, Call of Womanhood Blanche Norman
Cell, No. 515 Ellen Hansen
Duet, Honey Gatherers Song Lapriel Clapp, Mayme Carlson
Cell No. 17 Naomi Johnson
Piano Solo Verba Crockett
Song of the Bees Junior Chorus

YELLOWSTONE PARK
EXCURSIONS

August 1, 2 via Hotel Route; August 14, via "Wylie Way." See O. S. L. agents for details and folders.

The Cache Valley Commission Co. will give one hundred pounds of pure Early Ohio, Idaho Russett, or Pearl potatoes for the first prize in the potato exhibit in the Boys Club work, and one hundred pounds of pure Early Ohio, Idaho Russett, or Pearl potatoes for the second prize in the potato exhibit in the Boys Club work.

The Cardon Jewelry Company will give one Eastman Kodak, worth \$15 for the first prize in the sewing exhibit in the Cache County Girls Club work.

The Lafount Hardware Company will give one sixteen quart Lisk preserving kettle for the first prize in the canning exhibit in the Girls Club work and one thirteen quart Lisk preserving kettle for the second prize in the canning exhibit in the Girls Club work.

The American Steam Laundry will give one \$5 coupon book for the best house dress.

S. E. Needham Jewelry Company, will give one set of Rodgers silver desert spoons for the best six dollies.

500 pounds of steam rolled barley will be given by the Thatcher Milling Company, for the best Holstein bull, any age, and 500 pounds steam rolled barley for the best Jersey bull any age.

Other prizes have been offered and just as soon as the exhibits are chosen for which they will be given, they will be printed.

The Boys and Girls Club work of the county schools will be a big feature at the fair this year and they are being given much inducement to exhibit. In the sewing exhibit Mr. Elmer Brossard reports that from fifty to seventy-five girls will compete. The premium lists will be ready in a few days and sent to all past and prospective exhibitors and others interested.

An excellent race program has been made up and will be published later. As there is such a large number of horses in the circuit this year, the officers of the association expect all the races to fill. The association has joined the American Trotting Association and will be governed accordingly. The Fair will be better protected and the horsemen will put on better races. Nearly 100 race programs have been mailed to horse men.

RECITAL GIVEN BY PUPILS OF MRS. HANSEN

Large Audience of Invited Guests Listened to Able Rendition of Piano Music

On Wednesday evening Mrs. Jennie Eliason Hansen entertained a large number of her friends at the Eliason home on Fourth North street with a musical recital by her pupils. Seldom is there an effort to introduce so many pupils in one evening as were introduced by Mrs. Hansen on this occasion. Thirty-seven pupils were represented on the program and every number was well received by the large crowd present. The program was staged from the residence porch and the audience was comfortably seated upon the lawn and under the trees in front of the porch.

The young pupils were mostly girls ranging in ages from 8 to 15 years.

CACHE STAKE MEMBERS VISIT BENSON WARD

Benson, Aug. 3 1916.—On Sunday last our Sabbath school was favored by a visit of the following members of Cache stake S. S. Board, F. A. Hinkley, Chas. England, Edward Brozzard, Mrs. F. A. Hinkley, Miss Mary Sorensen and Miss Diantha Hammond, all of whom took an active part in making our morning gathering pleasant and profitable, and we shall be pleased to have them come again as soon as they can make it convenient.

Elders Luis and John Cardon were the speakers at our Sunday evening meeting. Their theme was Prohibition. They made very clear the necessity of prohibition.

Mr. E. A. Parsons was elected a delegate from Riverside and Benson precincts to the Republican convention in Logan. He is a good man and of course stands strongly for prohibition—can't afford to do otherwise.

The following named brethren and sisters went to Logan yesterday to assist in cleaning the temple: H. W. Ballard, Philip Purser, W. G. Reese, Naomi Funk, Rhinda Parsons, May Munk, Esther Tabet, Eva Munk, Carrie A. Reese, Annie T. Reese, Rhoda Reese, Julia Purser, Florence Reese, Celestia Rogers, Maria Riggs, Retta Roundy, Esther F. Roundy, Annie Roundy, Maggie Berry, Maggie Barrett, Mary A. Reese, Winifred Reese and Irene Ottley. Mrs. Parsons and the brethren furnished the cars.

Bishop Reese and family spent last Sunday in Preston. He went up especially to bring his mother down.

Charles and W. H. Reese spent over Sunday in Whitney, the guests of the Foster family.

Mrs. Elizabeth Stoddard of Burley, Idaho, is visiting her daughter Mrs. Fred Woolf.

The Bee Hive girls are planning for an outing in Logan canyon in the near future.

Mr. Philip Purser is going to his ranch in Treasuraton next week to harvest his crop which gives promise of a good yield.

Mr. W. H. Ballard motored to Brigham last Sunday.

The Benson farmers are kept busy now in the harvesting of their grain crop. The sugar beet crop still continues to give promise of a splendid yield.

Mr. and Mrs. John Pitcher spent last week in company with friends in Logan canyon.

Dr. and Mrs. George Thomas and Mrs. Dollar, took Sunday dinner at the home of Mr. and Mrs. A. J. Reese.

ATTORNEY AND MRS. BOWEN BACK IN LOGAN

Attorney and Mrs. A. E. Bowen, have returned to Logan after a month's stay at Brighton in Big Cottonwood Canyon. They report their stay in Brighton as especially delightful because it is so cool. Mr. Bowen reports that in the evening it becomes necessary to light fire in the grate. Brighton is 9000 feet above sea level and is the summer residence district of most of Salt Lake's elite social set. There are seventy-five or more cottages owned by Salt Lake's all occupied during the summer, and holidays and Sundays sees hundreds of others driving to this popular resort to get away from the sweltering city heat. While in the canyon Mr. Bowen inspected the new dams being constructed to furnish Salt Lake City their new water supply. These immense dams are constructed of concrete and steel and are set on a solid granite base and when completed will impound millions of gallons of pure mountain water. Mr. and Mrs. Bowen (formerly Miss Emma Lucy Gates) will be at home to their Logan friends and acquaintances as soon as a suitable home can be found.

Be loyal to your state and patronize Utah industries.

SIGHTS AND SCENES FROM CAR WINDOW

No one industry in America is so much interlocked with the prosperity and welfare of the country as are the railroads. They are the great arteries that pulsate with the life blood of commercial America. In the past few years these same roads have seen the effect of public opinion on their industry and have quickly sensed the value of a public sentiment friendly to them. They prize more highly than any other monopoly, a monopoly on the good will of the people they serve. This is witnessed by their continued activity in meeting the requirements demanded by the people, whether it be in improved roadbeds, better passenger service, or reduced rates. Another branch of this great industry that necessitates the expenditure of huge sums of money annually is the advertising, and the only returns realized is the good will of the people, because this advertising is done chiefly in the interests of the various localities that their roads enter.

We are just in receipt of a folder from the Union Pacific system entitled "Sights and Scenes along the Union Pacific System." This folder shows beautiful scenes and gives statistical facts concerning that section of the country west of Chicago. In this folder Utah comes in for prominent mention both because of her commercial importance and the many points of scenic beauty within the state. Even our own town of Logan receives prominent mention, because of its fame as an educational center and its position in this the most beautiful valley in the world.

These folders are printed mainly for distribution in the east to encourage people to come west, either to make homes or to get acquainted. Application for these folders for distribution to friends or acquaintances may be made to the Oregon Short Line Railroad Company, passenger department, Salt Lake City.

AMERICAN STEAM LAUNDRY OUTING

The co-workers of the American Steam Laundry left last evening for their annual outing in Logan canyon at the E. P. Bacon camp. In addition to the minstrel show tonight to which the general public is invited, there will be special Sunday services at the camp on Sunday afternoon at 4:30. The program will consist of the following program:

Singing, America.
Prayer Bishop N. W. Merkley
Vocal Solo Lou Bailey
Instrumental Music
..... C. M. Harris and Company
Vocal Solo E. Benson Parkinson
Address Dr. E. G. Peterson
Instrumental Music
..... C. M. Harris and Company
Vocal Solo Miss Nora Eliason
Benediction.

The general public is invited. There will be a dance following the minstrel performance with a full orchestra. Fifty-seven are going up from the laundry including the co-workers, their wives and children.
